TECHNICAL DATA

Place of the competition: Mestni park, Partizanska cesta 3a, 3000 Celje.

The rink is indoor, but not heated. The size of the rink is 60 m x 30 m.

Date of **competition**: 25th till 29th November 2026

ENTERING THE CONTEST

Competitors to **Advance Novice, Junior and Senior categories** (*International competition*) must be entered through their ISU Members.

If there are too many entries registered in an individual category and the competition cannot be held according to the published preliminary schedule, the organizer may limit the number of competitors in the free skating up to 30 for Juniors and 32 for Advanced novice.

Competitors taking part in International competition must be registered through their respective ISU Member Federations on the ISU ORS registration system. <https://fsk-ors.isu.swisstiming.com>

The number of registered competitors is not limited. After the ISU Member receives confirmation of the entries from the ORS system, then they login a maximum of two competitors per category on the European Criterium entry system with music, or/and they forward the received confirmations from the ORS to their interested clubs, who can then login a maximum of two competitors per category with music on the European Criterium entry system.

Each participant must send to web administrator (<http://www.europeancriterium.eu>) request for code direct online registration and realize the entry not later (deadline for entries) than November 1st 2026. The entries for the competition will be held via web portal europeancriterimu.eu. Before entry procedure association/club representative need to apply for new account on www.europeancriterium.eu/Account/Register.

Organizer reserves the right to make exceptions and to accept additional entries. Each competitor registrant must confirm that the competitor has been confirmed through the ORS system.

Organizers of the European Criterium website are committed to the proper protection of personal data in accordance with the European Union GDPR Regulation. Therefore, in the context of Privacy Policy, is require appropriate consent in the applications. Without this, the entries for European Criterium competitions can not possible in the future.

The “Program Content Sheet” for all categories must be returned to the Organizing Committee **not** later than **November 10th 2026**. It is mandatory that the Program Content Sheet will be filled precisely by each Skater in English using terminology for the elements listed in the respective ISU Communication.

MUSIC

After confirming and sending new registration data of selected competitors it is mandatory to add files with music the competitors need for their performances.

The process anticipates that competitor’s application is in the pending status first. After confirming there is an option to attach the appropriate music file to competitor’s application.

When the file is attached to application the status of competitor’s application goes to active status and the competitor is included in the official competitors list of selected competition.

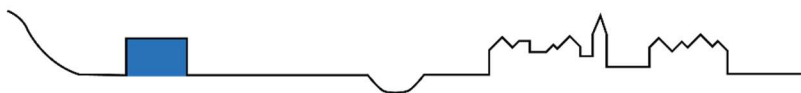

Mandatory music format is .mp3 file format.

Applicants (representative of club or national skating association) is given the option to replace the files with music three day before the competition starts.

Advance Novice, Junior and Senior Categories have to attach two music files for valid active status of competitor’s application (Short program and Free Skating program).

Organizers of competitions can download a music file of selected competitor and download a full package of files ordered and grouped by the categories.

Competitors must have copy of their mp3 files on USB key (or any external USB drive).
